This ~~place~~ seems dedicated to
 paperwork - (can find little else) ~~soons~~
 reason for knowledge seems to be for
 information processing. Has the following
 that some of the information originates from, &
~~other~~ other elsewhere. Further, all other
 much ~~information~~ of the processing is taking
 raw data and ~~generating~~ information from
 monitoring data (analysis)
 (in: SP7 place)

Session end:
 1104 hrs.
